

A0 Post Mortem

Question 1

- This question was generally well done
- In Question (1a) some students did not mention that it is required to “describe the main idea in words”.
- In Question (1b) some students forgot to mention Marmoset as being the submission platform we use in CS240.

Question 2

- This question was generally well done

Question 3

- This question was generally well done

Question 4

- This question was generally well done
- Some students did not insert correctly into the Binary Search Tree. No marks were deducted for this error, as long as some attempt was made.

Question 5

- This question was generally well done

Question 6

- This question was generally well done
